Ashland TREX

May 13 - May 24, 2019

Questions? E-mail: amanda.stamper@tnc.org

The objective of the two-week TREX programs in Central and Southwest Oregon is to facilitate peer-to-peer, experiential learning for prescribed fire professionals and others interested in advancing innovative tools to restore fire-adapted ecosystems.

Participants will engage in hands-on training in the ecology of fire-adapted ecosystems, communications and community outreach, prescribed fire monitoring, operational assignments, prescribed fire use, and collaboration among a diverse array of participating individuals and organizations.
